

## **Volunteer Program Horticulture Volunteer Job Description**

The Horticulture Volunteer is a job exclusively dedicated to maintaining the historic public areas of the cemeteries. Our desire is that these areas be well groomed, attractive, and safe at all times.

The Horticulture Volunteer reports to the Volunteer Coordinator.

### **Duties**

- Maintenance of flower beds (weeding, watering, pruning, mulching, edging, etc.)
- Direct visitors/customers to appropriate personnel whenever questions are asked about non-horticulture related topics (i.e. sales, funeral policies)
- Be knowledgeable and aware of safe practices

### **Training**

Onsite training – gardening techniques and general horticulture maintenance will be provided on an as needed basis.
